MEMORANDUM FOR: []
Chief/IMS/FPLG

FROM: []
Assistant General Counsel

SUBJECT: DDO Files pertaining to Dr. Joseph Mengele

1. Mr. Sporkin asked me to thank you for the herculean effort which you expended this past weekend in locating the subject the subject files and getting from their repository to headquarters. Particularly helpful in this regard were []

[] and []

2. As you know, Mr. Sporkin and I met with Senator D'Amato on 29 January and briefed him on the Mengele case. His staff asked that the Senator be provided with copies of the ten (10) documents (copies enclosed) which we discussed with the Senator. I said that this would only be possible after they had been redacted by the DO. If you concur in this procedure, I would be most grateful if you would have the ten (10) documents sanitized and return them to me. I will then forward them to the Senator via OLL.

3. It is my understanding that the DO does not have any other documents pertaining to Mengele.

4. Also, at the meeting in Senator D'Amato's office he asked if we would run traces on ten (10) additional names which allegedly are aliases of Mengele. The names are set forth below. No biographic data is available with respect to these names.

1. Helmut Gregor-Gregori
2. Fausto Rindon
3. Jose' Aspiazi
4. Ernst Sebastian Alvez
5. Friedrich Edler von Breitenbach
6. Walter Hasek
7. Heinz Stobert
8. Kark Geuske
9. Fritz Fischer
10. Lars Ballstroem

5. Thank you for your continuing cooperation in this case.
